Why would I want the new Vidal Sassoon Professional Line?

Specifically formulated to work with all hair types (or use their line specifically designed for colored hair), offers you an all-inclusive system that cleanses, conditions, strengthens and boost the overall health of your hair. The Professionals Line can do any or all of the following:

- **Gently cleanse no matter your hair type,**
- **Treat sun & product-damaged hair,**
- **Strengthen from the inside out,**
- **Soften,**
- **Enhance shine,**
- **Lock in color,**
- **Moisturize from root to tip.**

The hair of a goddess right from your own shower!

Why is Vidal Sassoon so popular with celebrities?

Vidal Sassoon was created by a talent team after years of research and focus on how to create a complete hair care line for all hair types while still delivering the same results. When used at a fashion show, the Professionals Line became an overnight sensation in the fashion world. After years of only being available to celebrities, he's now making his incredible line available to you.
