Dear

Don't you ever get the feeling that it's time you treated yourself to more than just your usual regular color treatment when you come in to see us at Salon 84?

We certainly do – that's why we've put together this special package.

Please Note: This is NOT being offered to anyone other than **color-only** clients, like you.

But you must be among the first 15 clients to book, as we simply cannot handle any more at this special price.

So please, if you would like to give yourself the

'Root-to-Tip'

treatment, call us NOW at Salon 84...here's the number:

541-344-3081

Yours sincerely,

Maggie Van Camp Phillips

PS: Oh, don't forget our Cast-Iron Guarantee – if you're not Completely Delighted, it's FREE!
